## 2007 CABERNET SAUVIGNON

Cabernet Sauvignon from a wonderful vintage produces aromas of black currents, plums, chocolate, hints of eucalyptus and integrated vanillin oak. The many layers of this aroma reveal themselves after careful decanting. The palate is rich and intense with dark fruits, mocha and integrated oak carrying the wine. The finish is long and persistent with firm tannins and fine acidity. This is a serious Cabernet which will cellar for many years.

Enjoy with seared venison on kumara mash.
